FOR IMMEDIATE RELEASE

Precision Hires Johnson

Northbrook, IL, February 12, 2002 -- Rick Wohlner, president, Precision Laboratories, Inc., today announced the hiring of Eric Johnson as district manager, western district.

In this newly created position, Johnson will be responsible for the sales of Precision's products in the #9-district region of Arizona, Nevada, California, Utah, Washington, Oregon, Idaho, New Mexico and Colorado.

"Eric is a solid new addition to the Precision Labs sales team," said Wohlner. "He is a seasoned sales professional with a track record of success in developing and implementing needs-based marketing strategies. Eric will be a critical part of our efforts to expand our presence in this key geographic area."

Johnson previously worked as a technical sales representative for KALO, Inc. He will be based in Phoenix, AZ and will report directly to Wohlner, located at the company's headquarters in Northbrook, Illinois.

Precision Laboratories, based in Northbrook, Illinois is a manufacturer and marketer of value-added specialty chemicals used to improve the performance and playability of turf, by enhancing growing conditions, pesticide efficacy and turfgrass quality. The company's best of class product lines include soil conditioners, adjuvants, additives, spray pattern indicators and permanent turf colorants.
