FOR IMMEDIATE RELEASE

Precision Laboratories Hires Three

Northbrook, IL, November 5, 2002 – James D. Reiss, director, Ag Business Unit, Precision Laboratories, today announced the hiring of three salespeople for its Midwest Region agriculture team.

Brett Spykerman, joins Precision as the account manager for Western Iowa. Spykerman most recently worked for Syngenta and has also been a crop production specialist and retail agronomy manager. He is an Iowa State University graduate and will be based in Jewell, Iowa.

Steven Massey has been hired as the account manager for the Northern Illinois / Wisconsin district. Massey's background includes over fifteen years of experience in sales and marketing in the animal health industry. He is a graduate of the University of Wisconsin-Platteville and will be based out of Oregon, Wisconsin.

Scott Danner is the account manager for Precision's Eastern Iowa district. Danner most recently worked for Syngenta and has served as an agronomy manager for a retail outlet in northwestern Iowa. He is an Iowa State University graduate and will be based out of Tripoli, Iowa.

Spykerman, Danner and Massey will report to the Midwest Regional Sales Manager located at the company's headquarters in Northbrook, IL.

Precision Laboratories' Ag Business Unit, based in Northbrook, Illinois is a manufacturer and marketer of innovative, value-added agricultural adjuvant technologies. The company's best of class product lines include a wide range of adjuvants, seed coating polymers, colorants, and marking foam technologies.
