Brad Kumm Joins Precision Laboratories in Nebraska

WAUKEGAN, IL (February 17, 2009) – Precision Laboratories announces the addition of **Brad Kumm** to its Agriculture Sales Team. Brad will assume the role of district sales manager for the State of Nebraska.

“Brad brings a diverse background, solid experience and a successful track record in retail agronomy and seed sales to Precision,” said Jim Reiss, vice president of the agriculture business for Precision Laboratories. “His extensive knowledge and professional certifications allow him to create and deliver great value for his customers.”

Brad will be responsible for developing the Nebraska market. He will promote Precision’s “Best of Class” product portfolio of innovative adjuvants and seed enhancement technologies that maximize value and reduce overall risk for the customer.

Kumm has a Bachelor’s Degree in Agriculture Business from the University of Nebraska – Lincoln and holds certifications as a Crop Advisor and as a Technical Service Provider for the USDA, NRCS and NRD since 2000. Brad has over 16 years of experience in retail agronomy and seed sales.

About Precision Laboratories

Precision Laboratories is a leading provider of specialized chemistries applied to plants, seeds, soil and water to maximize resource and biological performance potential while stewarding the environment. For more information on the company’s products and its value-added dealers and distributors, call 800-323-6280 or visit www.precisionlab.com.
