FOR IMMEDIATE RELEASE

Precision Laboratories Hires Braun

Waukegan, IL, September 10, 2004 -- Donald Spier, vice president, turf business, Precision Laboratories, Inc., today announced the hiring of Brigid Braun as the district sales manager for Florida and Georgia. In this newly created position, Braun, a certified golf course superintendent, will be responsible for the sales and marketing of Precision's product line to the golf course, landscape, sportsfield and public grounds markets.

"Brigid brings 15 years of hands-on specialty turf management to this position," said Spier. "She is a 'can-do' type of person who has earned a reputation in the industry for her ability to creatively develop plans that meet the specific needs of her clients. Brigid's background and understanding of the industry will ensure that Precision has the personal presence we need to bring our proven technologies to this important market.

Braun will be located in West Palm Beach, FL and will report to Spier who is based out of the company's headquarters in Waukegan, IL.

Precision Laboratories, based in Waukegan, Illinois is a manufacturer and marketer of high performance specialty chemicals and nutrients used to improve the performance and playability of turf, by enhancing growing conditions, pesticide efficacy and turfgrass quality. The company's products include soil surfactants, turf and aquatic colorants, adjuvants, swath and spray pattern indicators and specialty nutrients.
