## Precision Laboratories Hires David Keating in Turf & Ornamental Market

**WAUKEGAN, IL** (February 13, 2008) – Precision Laboratories announced the addition of **David Keating** to its Turf and Ornamental Sales Team. Keating will assume the role of district manager for the northeastern United States.

“David brings a diverse background along with solid experience in the fertilizer and specialty chemistry industries. His successful track record will be an asset to Precision,” said Don Spier, vice president of the Turf and Ornamental business for Precision Laboratories. “His past accomplishments are certain to bring additional value to current and potential customers. David’s knowledge of the fertilizer industry will support the release of our new nutrient product, Uptake Technology™.”

Keating will be responsible for professional turf sales and customer relationship management. David will promote Precision’s “Best of Class” products that maximize resource management, saving customers water, time, money and labor.
