## Precision Hires Joseph Jozaitis

March 6, 2006, Waukegan, IL - Precision Laboratories, Inc. has hired Joseph Jozaitis for the newly formed position of Operations Manager to be responsible for managing and coordinating purchasing, production, inventory control, warehousing, freight traffic and customer service.

"Joe has an excellent background and his fit for Precision is particularly unique," said Rick Wohlner, President, Precision Laboratories, Inc. "With both an MBA and a degree in chemistry, Joe has spent his career successfully managing chemical plant operations. His extensive experience working with surfactants will also be invaluable as our company continues its steady growth in this market."

Jozaitis most recently served as the Manager, QC Chemistry at American Pharmaceutical Partners, Inc. in Melrose Park, IL. Prior to that, he worked for BASF Corporation as a plant manager in their specialty chemical manufacturing facilities. He holds a BS in chemistry from the University of Wisconsin - Parkside and an MBA from Lake Forest Graduate School in Lake Forest, IL.

Precision Laboratories, Inc., based in Waukegan, Illinois is a manufacturer and marketer of best-of-class adjuvants, application enhancement technologies and seed protection systems that include fungicides, colorants, coatings and inoculants.

Precision Laboratories can be reached at 800-323-6280 or by visiting the company's website at [www.precisionlab.com](http://www.precisionlab.com).
