

# **Launcher**PRO™

## Complete Seed Enhancement System

### PRECAUTIONARY STATEMENTS

Before using this product, read the entire label, including the conditions of sale.

May cause irritation to skin and eyes. Ingestion of large amounts may cause mucosal irritation, dizziness. Nausea and possible vomiting.

### STATEMENT OF PRACTICAL TREATMENT

**If Swallowed:** Give a large amount of water to drink. Induce vomiting. Seek medical attention immediately.  
**If In Eyes:** Flush with water for 15 minutes. Seek medical attention immediately.  
**If On Skin:** Remove contaminated clothing. Wash skin contact area with plenty of soap and water.  
**If Inhaled:** Remove to fresh air.

### GENERAL INFORMATION

Launcher PRO is a pre-pak combination of **Launcher**, Nitrogen Fixing Bacteria, **PBX**, Advanced Bacteria Protector and **ProSurge**, Catalytic Seed Treatment.

### DIRECTIONS FOR USE

Follow individual product labels for application instructions. Use the individual components of Launcher PRO in a 1:1:1 ratio. Each individual component package treats 100 units (5,000 lbs) of seed. Use one package of each component to treat 100 units of seed (ProSurge is a two-component product), use both packages of each component to treat 200 units of seed.

### ORDER OF ADDITION

The Contents of Launcher PRO should be added to a seed treating slurry tank in the following order:

1. PBX
2. Launcher
3. ProSurge

### CONDITIONS OF SALE

Note: Read the information contained herein before buying or using this product. If the stated terms are not acceptable, return the product at once, unopened. It is critical that this product be used and mixed only as specified on this label. Neither the manufacturer nor the seller makes any representation or warranty, expressed or implied, with respect to the results from the use of this material. Buyer and user assume all risks of use and/or handling. Precision Laboratories Inc. warrants that this material is reasonably fit for use as specified on this label. No agent or representative is authorized to make any other representations concerning this material. Unforeseen factors beyond Precision's control prevent elimination of risks in connection with the use of its chemicals. Such risks include, but are not limited to, damage to plants and/or crops to which the material is applied, or lack of complete control and damage caused by drift to other plants or crops. Such risks may occur even though the product is reasonably fit for use as stated herein and even though label directions are followed. Follow directions carefully. Timing, mixture, method of application, weather and other conditions are influencing factors in the use of this product and are beyond the control of the seller. Except to the extent prohibited by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the company or any other seller for any and all losses, personal injuries or damages resulting from the use of this product, shall be the purchase price paid by the user or buyer for the quantity of product involved.
