Precision Laboratories Hires David Konke as CFO / COO

WAUKEGAN, IL (November 17, 2008) – Precision Laboratories announces the addition of **David Konke** to the company's executive team in the combined position of Chief Financial Officer and Chief Operating Officer. Konke will be located at Precision's corporate office, where he'll be responsible for managing purchasing, manufacturing, inventory control, warehousing, freight traffic, customer service, accounting, human resources and treasury functions.

"David brings exceptional experience in the operations and finance fields to Precision," says Rick Wohlner, president of Precision Laboratories. "We're excited about the breadth and depth of contributions he can make to our company and the operational benefits that can be realized by our customers. His proven track record in manufacturing, logistics, supply chain, lean manufacturing, financial and cost accounting makes him a solid addition to the Precision Team."

Konke holds an MBA from Roosevelt University, along with a Bachelor's Degree in Accounting from North Park University. He is a Certified Public Accountant, Certified Management Accountant and Certified in Production and Inventory Management with over twelve years of experience in manufacturing environments.
