FOR IMMEDIATE RELEASE

## Precision Hires Jerry Berg for AG Sales Manager

**September 11, 2006 Waukegan, IL** – James D. Reiss, Vice President, Agricultural Business Unit, Precision Laboratories, Inc., has announced that, Gerald Berg has joined Precision Laboratories as the Agricultural Sales Manager where he will be responsible for managing and developing the Midwest sales team.

“Jerry’s experiences in the seed industry and as a professional sale trainer makes him the ideal candidate for this position,” says James Reiss, Vice President of Agricultural Business.

Prior to joining Precision Laboratories, Berg was Director of Sales at Stone Seed Company. He has also held various sales, marketing and training positions with Agri-Growth Research, Inc., Wilbur-Ellis Company and NA-CHURS/Alpine Solutions.

Precision Laboratories, Inc., based in Waukegan, Illinois is a manufacturer and marketer of best-of-class adjuvants, application enhancement technologies and seed protection systems that include fungicides, colorants, coatings and inoculants.

Precision Laboratories can be reached at 800-323-6280 or by visiting the company's website at [www.precisionlab.com](http://www.precisionlab.com).
