

CASCADE PLUS™ FERTILIZER 3-1-0

Cascade Plus™ Fertilizer combines the proven water infiltration chemistry of Cascade Plus with a unique fertilizer blend. Now you can apply enhanced water infiltration chemistry and essential soil nutrients in one easy application, on tees, fairways and roughs.

FEATURE & BENEFITS

- Delivers long lasting wetting agent and fertilizer in one application
- Reduces the need for repeat spray applications
- Enhances water management, water efficiency and turf quality
- Reduces labor costs and turf maintenance
- Prevents localized dry spot
- Corrects hydrophobic soil conditions
- Accelerates wilt recovery from drought

USE RATES:

- Use at 10 lbs. per 1000 ft² to obtain 8 ounces per 1000 ft²
