

CASCADE PLUS™ FERTILIZER 0-0-20

WETTING AGENT & FERTILIZER

Cascade Plus™ Fertilizer 0-0-20 is a combination of potassium sulfate, calcium sulfate and Cascade Plus. It's designed to improve turf stress tolerance, increase soil calcium content and improve water infiltration and soil hydration.

WHAT MAKES IT DIFFERENT:

It's ability to deliver three essential plant macronutrients and Cascade Plus in one convenient application.

FEATURES AND BENEFITS:

- Contains potassium sulfate to ensure stomatal function and enzyme synthesis
- Supplies calcium sulfate (gypsum) that improves soil structure and plant nutrient uptake
- Delivers Cascade Plus to enhance water management, irrigation efficiency and turf quality, while eliminating localized dry spot
- Dry formulation that is easy to apply to golf courses, sports turf, residential or commercial turf
