Granular Soil Surfactant

PRECISION
LABORATORIES

CONTAINS NON-PLANT FOOD INGREDIENT(S)

ACTIVE INGREDIENTS

10% Polyethylene glycol

90% Cellulose Complex

100% TOTAL

KEEP OUT OF REACH OF CHILDREN WARNING

PRECAUTIONARY STATEMENTS

Causes skin and eye irritation. If medical advice is needed, have product container or label at hand. Read label before use. Wash protective equipment and work clothes thoroughly after handling. Wear personal protective equipment. Specific treatment is given in the First Aid section on this label or on the SDS.

FIRST AID

If Swallowed: Rinse mouth. Have person sip a glass of water if able to swallow. Do NOT induce vomiting, unless told to by a poison control center or doctor. Do not give anything to an unconscious person.

If Inhaled: Move person to fresh air. If person is having difficulty breathing, give oxygen. If not breathing, give artificial respiration.

If In Eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or attention.

If On Skin: Wash affected area with plenty of soap and water. Use tepid water if available. If skin irritation occurs: Get medical advice or attention. Treat symptomatically. Take off contaminated clothing and wash it before reuse.

GENERAL INFORMATION

PRECISE LAWN is a combination of surfactants that increases the availability and retention of water in the soil.

DIRECTIONS FOR USE

To achieve the best results, apply PRECISE LAWN using the application techniques described below.

PRECISE LAWN can be applied at any time of the year, using conventional fertilizer spreaders. PRECISE LAWN can be applied prior to the onset of plant stress or as a curative treatment later in the growing season.

APPLICATION TECHNIQUES

For best results irrigate after application with enough water to remove the active ingredient from the carrier and move it into the root zone.

USE RATES

Apply 5 lbs. (2.27 kg) per 1000 square feet (92.9 m²) every 6 weeks or as needed.

SPREADER SETTINGS

Spreader settings are recommendations only and should be considered as a starting point from which to calibrate the spreader. Results may vary based on equipment, application techniques and environmental variables beyond the manufacturer's control. Spreaders should be calibrated prior to making the initial application of PRECISE LAWN and recalibrated prior to subsequent applications.

Spreader Type	5 lbs/1000 (2.27 kg)
Prizelawn Bigfoot BF 1	L
Lesco	1 or 17
Scotts R8A/SR1	L
Spyker	4½

SGN: 150

STORAGE AND DISPOSAL

Store in a cool, dry place away from oxidizing agents. Keep bags closed at all times. Dispose of in accordance with federal, state and local regulations.

CONDITIONS OF SALE

Note: Read the information contained herein before buying or using this product. If the stated terms are not acceptable, return the product at once, unopened. It is critical that this product be used and mixed only as specified on this label. Neither the manufacturer nor the seller makes any representation or warranty, expressed or implied, with respect to the results from the use of this material. Buyer and user assume all risks of use and/or handling. Precision Laboratories, LLC warrants that this material is reasonably fit for use as specified on this label. No agent or representative is authorized to make any other representations concerning this material. Unforeseen factors beyond Precision's control prevent elimination of risks in connection with the use of its chemicals. Such risks include, but are not limited to, damage to plants and/or crops to which the material is applied, or lack of complete control and damage caused by drift to other plants or crops. Such risks may occur even though the product is reasonably fit for use as stated herein and even though label directions are followed. Follow directions carefully. Timing, mixture, method of application, weather and other conditions are influencing factors in the use of this product and are beyond the control of the seller. Except to the extent prohibited by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the company or any other seller for any and all losses, personal injuries or damages resulting from the use of this product, shall be the purchase price paid by the user or buyer for the quantity of product involved.
