If medical advice is needed, have product container or label at hand. Read label before use. Do not breathe fume, mist, vapors or spray. Wash protective equipment and work clothes thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective clothing. Specific treatment is given in the First Aid section on this label or on the SDS.

## PERSONAL PROTECTIVE EQUIPMENT (PPE)

Applicators or other handlers of this product should wear: protective eyewear, chemically impervious gloves, long-sleeved shirt, pants, socks and shoes. Consult the SDS for further information.

#### **FIRST AID**

- If Swallowed: Call a poison center/doctor if you feel unwell. Rinse mouth. Have person sip a glass of water if able to swallow. Do NOT induce vomiting, unless told to by a poison control center or doctor. Do not give anything to an unconscious person. If In Eyes:
- Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or attention.
- If On Skin: Wash affected area with plenty of soap and water. Use tepid water if available. If skin irritation occurs: Get medical advice or attention. Treat symptomatically. Take off contaminated clothing and wash it before reuse.
- If Inhaled: Move person to fresh air. If person is having difficulty breathing, give oxygen. If not breathing, give artificial respiration.

#### **GENERAL INFORMATION**

Taragon Maxx is a unique multi-functional adjuvant premix specifically designed and approved for use with dicamba containing tank mixes. Taragon Maxx is recognized as a qualified and approved DRA for dicamba-based herbicide tank mixes. Check manufacturer labels and websites for confirmation.

### DIRECTIONS FOR USE

The addition of adjuvants to some pesticides and/or fertilizers and their tank mixes may cause phytotoxicity to the foliage and/or fruit of desirable crops. Before using Taragon Maxx, the applicator or crops advisor must have experience with the pesticide combination, including Taragon Maxx, or must have conducted a phytotoxicity test.

FOR USE WITH PESTICIDES REGISTERED FOR AGRICULTURAL, FORESTRY, INDUSTRIAL, MUNICIPAL, NON-CROPLAND AND RIGHTS-OF-WAY. NOT FOR AQUATIC USE.

### **USE RATES**

XtendiMAX®: 26 fluid ounces per acre. Engenia®: 26 fluid ounces per acre. Tavium<sup>®</sup>: 26 fluid ounces per acre.

#### MIXING

In the absence of specific mixing instructions found on the pesticide label or website, fill the spray tank with at least 50% of the desired finished carrier volume. While the carrier is agitating, add approved tank mix ingredients in the following order:

- Compatibility agent and/or antifoam, if needed 1.
- Dry formulations (WP, DF, WDG, SP) 2.
- 3. Dry soluble and suspension fertilizers / micronutrients

#### 4. **Taragon Maxx**

- 5. Flowable formulations (F & FL)
- Liquid concentrates, suspension concentrates, micro-6. encapsulated and capsule suspension (LC, SC, ME, CS) 7.
- Emulsifiable concentrates (E, EL or EC)
- 8. Solutions and soluble liquids (S or SL)
- Liquid micronutrients and fertilizers 9. 10. Water conditioners and other adjuvants (COC, HSOC, MSO, NIS)
- 11. Finish filling to desired spray volume level and continue agitation

#### STORAGE AND DISPOSAL

This product must be stored above 32°F (0°C). Failure to do so may cause damage. Keep containers sealed when not in use. Store in original container only. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

#### CONDITIONS OF SALE

If the stated terms herein are not acceptable, immediately return the product, unopened. Seller warrants that this product meets specifications at the time of manufacture. No other warranty, whether express or implied, including withou limitation the warranties of merchantability and fitness for a particular purpose, and all such other warranties are hereby expressly disclaimed by seller. All technical advice rendered is intended for use by persons having the appropriate certification, education, experience and skill, and Seller shall not be liable for any use or non-use of such advice. Factors, including but not limited to timing, mixture, application method, weather and other conditions are beyond Seller's control and ability to eliminate risks in use. Risks include damage from direct application to plants or caused by spray droplet or vapor drift to other plants. Buyer assumes all risk and liability for all loss, damage or injury to person or property, including without limitation pollution, environmental damage and restoration or remediation liability, resulting from the use of said product, whether used singly or in combination with other substances, or the storage handling and disposal of the product. Except to the extent prohibited by applicable law, the exclusive remedy of the user and the limit of liability of Seller for any loss, personal injury or damage resulting from the use of this product, shall be the purchase price paid by the user for the quantity of product involved. Seller shall not be liable to the buyer for any damages arising out of product use, including without limitation goodwill, profits, manufacturing cost, or business interruption, regardless of the form or basis of buyer's cause of action.
