

INTACT™ PRO

Drift Control & Foliar Retention Agent and Deposition Aid

PRINCIPAL FUNCTIONING AGENTS

Proprietary blend of Guar gum polymer and Formulation Aids 100.0%

All ingredients are approved for use under 40 CFR 180

KEEP OUT OF REACH OF CHILDREN DANGER

PRECAUTIONARY STATEMENTS

Causes serious eye damage. Harmful to aquatic life with long lasting effects. If medical advice is needed, have product container or label at hand. Read label before use. Avoid release to the environment. Wear protective gloves/protective clothing/eye protection/face protection. Specific treatment is given in the First Aid section on this label or on the SDS.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Applicators or other handlers of this product should wear: long-sleeved shirt, long pants, socks, shoes, protective eyewear, and chemically impervious gloves. Consult the SDS for further information.

FIRST AID

- If In Eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call an ophthalmologist. Protect uninjured eye.
- If On Skin:** Wash affected area with plenty of soap and water. Use tepid water if available. Get medical attention immediately. Remove contaminated clothing immediately and dispose of safely.
- If Inhaled:** Move person to fresh air. If person is having difficulty breathing, give oxygen. If not breathing, give artificial respiration. If person feels unwell, seek medical attention/advice.
- If Swallowed:** Do NOT induce vomiting, unless told to by a poison control center or doctor. Do not give anything to an unconscious person. Get medical attention immediately.

GENERAL INFORMATION

Intact Pro is a concentrated stand-alone drift reduction and deposition aid technology. It is pump-shear resistant and enhances spray droplet retention on target leaf surfaces.

DIRECTIONS FOR USE

AVOIDING SPRAY DRIFT AT THE APPLICATION SITE IS THE RESPONSIBILITY OF THE APPLICATOR.

The addition of adjuvants to some herbicides and/or fertilizers and their tank mixes may cause phytotoxicity to the foliage and/or fruit of desirable crops. Before using **Intact Pro**, the applicator or crops advisor must have experience with the herbicide combination, including **Intact Pro**, or must have conducted a phytotoxicity test.

FOR USE WITH HERBICIDES REGISTERED FOR AGRICULTURAL, FORESTRY, INDUSTRIAL, MUNICIPAL,

NON-CROPLAND AND RIGHTS-OF-WAY.
NOT FOR AQUATIC USE.

USE RATES

General Use: 1 - 3 pints per 100 gallons of solution or 0.125 - 0.375% v/v.
XtendiMAX®: 3 pints per 100 gallons of solution or 0.375% v/v.
Engenia®: 2 pints per 100 gallons of solution or 0.25% v/v.

MIXING

In the absence of specific mixing instructions found on the herbicide label, fill the spray tank or mixing vessel with at least 50% of the desired finished carrier volume. While the carrier is agitating, add tank mix ingredients in the following order:

1. Compatibility agent and/or antifoam, if needed
2. AMS, dry formulations (WP, DF, WDG, SP)
3. Dry soluble and suspension fertilizers / micronutrients
4. **Intact Pro** prior to flowable formulations (F & FL)
5. Liquid concentrates, suspension concentrates, microencapsulated and capsule suspension (LC, SC, ME, CS)
6. Emulsifiable concentrates (E, EL or EC)
7. Solutions and soluble liquids (S or SL)
8. Liquid micronutrients and fertilizers
9. Water conditioners and other adjuvants (COC, HSOC, MSO, NIS)
10. Finish filling to desired volume level and continue agitation

ENVIRONMENTAL HAZARDS

Do not apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment wash waters.

STORAGE AND DISPOSAL

Keep containers sealed when not in use. Store in original container only. Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

CONDITIONS OF SALE

If the stated terms herein are not acceptable, immediately return the product, unopened. Seller warrants that this product meets specifications at the time of manufacture. No other warranty, whether express or implied, including without limitation the warranties of merchantability and fitness for a particular purpose, and all such other warranties are hereby expressly disclaimed by seller. All technical advice rendered is intended for use by persons having the appropriate certification, education, experience and skill, and Seller shall not be liable for any use or non-use of such advice. Factors, including but not limited to timing, mixture, application method, weather and other conditions are beyond Seller's control and ability to eliminate risks in use. Risks include damage from direct application to plants or caused by spray droplet or vapor drift to other plants. Buyer assumes all risk and liability for all loss, damage or injury to person or property, including without limitation pollution, environmental damage and restoration or remediation liability, resulting from the use of said product, whether used singly or in combination with other substances, or the storage handling and disposal of the product. Except to the extent prohibited by applicable law, the exclusive remedy of the user and the limit of liability of Seller for any loss, personal injury or damage resulting from the use of this product, shall be the purchase price paid by the user for the quantity of product involved. Seller shall not be liable to the buyer for any damages arising out of product use, including without limitation goodwill, profits, manufacturing cost, or business interruption, regardless of the form or basis of buyer's cause of action.
