Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle. (If you do not understand the label, find someone to explain it to you in detail.)

PRECAUTIONARY STATEMENTS

Harmful if swallowed. Harmful in contact with skin. Causes skin irritation and serious eye damage. If medical advice is needed, have product container or label at hand. Read label before use. Wash protective equipment and work clothes thoroughly after handling. Do not eat, drink or smoke when using this product. Wear personal protective equipment. Specific treatment is given in the First Aid section on this label or on the SDS. Dispose of contents/container to an approved waste disposal plant.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Applicators or other handlers of this product should wear proof chemical safety goggles and face shield, chemically-impervious gloves, long-sleeved shirt, coveralls, boots and apron. Vapor respirator recommended in areas of poor ventilation or where vapor hazards exist.

STATEMENT OF PRACTICAL TREATMENT

- If Swallowed:** Call a POISON CENTER/doctor or Chemtrec if person feels unwell. Rinse mouth. Have person sip a glass of water if able to swallow. **Do NOT induce vomiting**, unless told to by a poison control center or doctor. Do not give anything to an unconscious person.
- If In Eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER/doctor or Chemtrec.
- If On Skin:** Wash affected area with plenty of soap and water. Use tepid water if available. Call a poison center/doctor or Chemtrec if person feels unwell. Treat symptomatically. Take off contaminated clothing and wash it before reuse.
- If Inhaled:** Move person to fresh air. If person is having difficulty breathing, give oxygen. If not breathing, give artificial respiration.

GENERAL INFORMATION

TRACER HOT PINK Marking Foam Colorant was developed to increase marking foam visibility in drilled crop situations where sunlight reflection off of small grain stubble limits optical clarity of white foam.

FOR USE WITH MARKING FOAMS IN AGRICULTURAL, NON-CROPLAND, RIGHTS-OF-WAY AND INDUSTRIAL APPLICATIONS.

DIRECTIONS FOR USE

Water hardness and other variables can affect the concentration of TRACER HOT PINK needed to reach the desired visibility. Sight adjustment is recommended.

USE RATES

Use 1–2 ounces of TRACER HOT PINK Marking Foam Colorant per 10 gallons of foam mixture.

STORAGE AND DISPOSAL

Protect product from freezing. *If product freezes, warm to room temperature and agitate before use.* Store in cool, dry, well-ventilated areas away from direct sunlight. Keep containers sealed when not in use. Store in original container only. Do not reuse empty container. Rinse container thoroughly prior to disposal. Dispose of rinsate and container in accordance with local, state and federal regulations

CONDITIONS OF SALE

Note: Read the information contained herein before buying or using this product. If the stated terms are not acceptable, return the product at once, unopened. It is critical that this product be used and mixed only as specified on this label. Neither the manufacturer nor the seller makes any representation or warranty, expressed or implied, with respect to the results from the use of this material. Buyer and user assume all risks of use and/or handling. Precision Laboratories, LLC warrants that this material is reasonably fit for use as specified on this label. No agent or representative is authorized to make any other representations concerning this material. Unforeseen factors beyond Precision's control prevent elimination of risks in connection with the use of its chemicals. Such risks include, but are not limited to, damage to plants and/or crops to which the material is applied, or lack of complete control and damage caused by drift to other plants or crops. Such risks may occur even though the product is reasonably fit for use as stated herein and even though label directions are followed. Follow directions carefully. Timing, mixture, method of application, weather and other conditions are influencing factors in the use of this product and are beyond the control of the seller. Except to the extent prohibited by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the company or any other seller for any and all losses, personal injuries or damages resulting from the use of this product, shall be the purchase price paid by the user or buyer for the quantity of product involved.
