## KEEP OUT OF THE REACH OF CHILDREN WARNING

**PRECAUTIONARY STATEMENTS:** Causes skin and serious eye irritation. If medical advice is needed, have product container or label at hand. Read label before use. Wash protective equipment and work clothes thoroughly after handling. Wear protective clothing.

## PERSONAL PROTECTIVE EQUIPMENT (PPE)

Applicators or other handlers of this product must wear protective eyewear, chemical resistant gloves, long-sleeved shirt, long pants, socks and shoes when handling this product.

## FIRST AID

### If In Eyes:

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention or advice.

### If On Skin:

Wash with plenty of water. Treat symptomatically. If skin irritation occurs: Get medical advice or attention. Take off contaminated clothing and wash it before reuse.

### If Inhaled:

Remove person to fresh air and keep warm and at rest.

### If Swallowed:

Do not induce vomiting in order to avoid formation of foam, which can reach respiratory tract. If vomiting is necessary, give an antifoam (dimethicone). Seek medical advice.

## GENERAL INFORMATION:

FIBA-ZORB® PLUS is recommended for media producers to aid in wetting substrates for all types of growing media and soil production. This media surfactant can be used in the production and maintenance of hanging baskets, bedding plants, trees, planters, flats, trays, and plugs. It should be diluted with 5–20 parts water for even distribution and applied directly to the media at the recommended rate. Use within 3–4 months after opening.

## LOT NUMBER:

## STORAGE AND DISPOSAL

Protect product from freezing. If product freezes, warm up to room temperature before use. Store in original container only and do not reuse empty container. Rinse container thoroughly, disposing of rinsate and the container in accordance with federal, state and local regulations.

## USE RATES

Apply FIBA-ZORB® PLUS at a rate of 100 mL per cubic meter of substrate if growing media is more hydrophilic (easy to wet). Apply FIBA-ZORB® PLUS at a rate of 300 mL per cubic meter of substrate if growing media is more hydrophobic (difficult to wet).

## CONDITIONS OF SALE:

If the stated terms herein are not acceptable, immediately return the product, unopened. Seller warrants that this product meets specifications at the time of manufacture. No other warranty, whether express or implied, including without limitation the warranties of merchantability and fitness for a particular purpose, and all such other warranties are hereby expressly disclaimed by seller. All technical advice rendered is intended for use by persons having the appropriate certification, education, experience and skill, and Seller shall not be liable for any use or non-use of such advice. Factors, including but not limited to timing, mixture, application method, weather and other conditions are beyond Seller's control and ability to eliminate risks in use. Risks include damage from direct application to plants or caused by spray droplet or vapor drift to other plants. Buyer assumes all risk and liability for all loss, damage or injury to person or property, including without limitation pollution, environmental damage and restoration or remediation liability, resulting from the use of said product, whether used singly or in combination with other substances, or the storage handling and disposal of the product. Except to the extent prohibited by applicable law, the exclusive remedy of the user and the limit of liability of Seller for any loss, personal injury or damage resulting from the use of this product, shall be the purchase price paid by the user for the quantity of product involved. Seller shall not be liable to the buyer for any damages arising out of product use, including without limitation goodwill, profits, manufacturing cost, or business interruption, regardless of the form or basis of buyer's cause of action.
